**Memorandum submitted by All India Regional Rural Bank Employees Association**

\*230. SHRI KHAGEN DAS: Will the Minister of FINANCE be pleased to state:

(a) whether the All India Regional Rural Bank Employees' Association has submitted a memorandum to Government demanding retirement benefits like sponsored banks apart from other demands seeking pay parity and other service conditions etc.;

(b) if so, the details thereof; and

(c) the reaction of Government thereto and the present status thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI BALASAHEB VIKHE PATIL):

(a) to (c) The All India Regional Rural bank Employees' Association has been submitting various Memoranda making several demands. A Memorandum dated 15.02.2000 was received making the following demands:

- (i) Restoration of pay parity as per Tribunal Award in RRBs;
- (ii) Immediate promotion from all cadres and lifting of ban on recruitment at least for the promotional vacancy for the time being;
- (iii) Formation of National Rural Bank;
- (iv) Retirement benefit like Sponsor Banks.

[8th August, 2000]

RAJYA SABHA

The reaction of the Government on the above demands is as below:—

- (i) The matter is sub-judice.
- (ii) The Government has notified Regional Rural Banks (Appointment and promotion of Officers and other employees) Rules, 1998 on 29th July, 1998 and has lifted the ban on promotion vide order dated 15th June, 1999. The ban on new recruitment has not been lifted due to the precarious financial condition of the Regional Rural Banks.
- (iii) After considering a number of alternative models, it was decided to revamp Regional Rural Banks (RRBs) on a "Stand alone" basis by way of infusion of additional capital for cleansing of balance sheets of selected RRBs rather than by creating National Rural Bank of India.
- (iv) As regards the retirement benefits, the gratuity scheme for RRB employees is already at par with their respective sponsor banks. The RRB employees are also covered under the Employees Provident Fund & Miscellaneous Provisions Act, 1952 for Provident Fund purposes. However, due to their precarious financial condition, RRBs are not in a position to provide parity in payment of pension to its employees at par with sponsor banks.
